YOUR VOICE CAN MAKE A DIFFERENCE

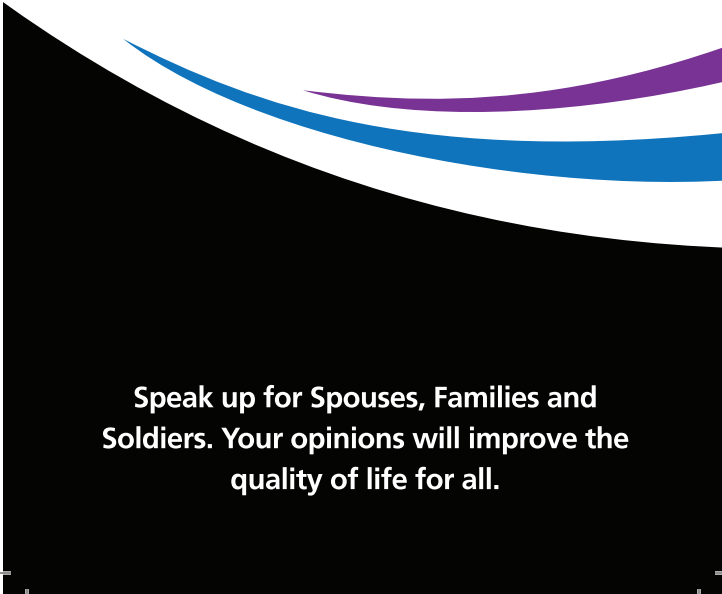

A random sampling of Army Spouses will be selected to participate in this survey and will receive a notification letter. Your answers are important because you are representing more than just yourself your answers represent all spouses who are similar to you.

WHAT WILL WE DO WITH THE DATA?

We will present summarized data to Army Leadership. Only group statistics will be reported, your data will be completely confidential.

WHY SHOULD YOU COMPLETE THE SURVEY?

Army Leadership has pledged their commitment, through the Army Family Covenant, to provide quality support, services and benefits to Soldiers and Families. Your opinions will help Army Leadership identify what can and should be improved for Army Families. Your voice can make a difference!

Speak up for Spouses, Families and Soldiers. Your opinions will improve the quality of life for all.
