

# IT PAYS TO SWIPE

**SMART** • Data helps MWR work smarter for you by determining which programs to offer, appropriate hours of operation, better class schedules, timely equipment replacements and much more.

**WORLDWIDE** • Your swipe locally can help ensure quality of life for DOD patrons, Soldiers, Family members, retirees and civilians worldwide.

**IMPROVEMENTS** • The information collected through the RecTrac swiping process helps DOD better understand the improvements needed in your local community.

**PROMISE** • Your swipe counts towards helping Family and MWR receive the funding and support they need to fulfill the Army Family Covenant promise of quality programs and services.

**ENHANCEMENTS** • Continue to swipe at all Family and MWR facilities and you can expect enhancements on all your favorite local programs, services and facilities.
