

Quick Start Guide

HOW TO START PLAYING...

Log On

Log on to the tablet by entering the **account number** provided on your receipt.

Menu

Select the game you wish to play from the **Main Menu**.

Daub

Depending on your game choice, you may be prompted to press the **DAUB** button below the flashboard, then press **PLAY**.

Play

Press the **UP** ↑ or **DOWN** ↓ arrows to select the price card or wager.

Play

For **Nero's Coliseum™** or **Mayan Gold™**, you can select from **1 to 4 cards**.

Press **PLAY** to start game. For **K9 Cash™** and **Quickshot McDraw™** choose the number of cards you wish to play by touching the card to activate it for play.

Menu

If you have a winning pattern, the amount you won will appear and credits added.

To choose a different game, press the **MENU** button for other options.

Menu

WHEN YOU ARE READY TO CASH OUT...

Cash Out

Once you are finished with your play on the unit, just hit the **MENU** button. Press **CASH OUT**, and take your receipt to the cashier.

If you have a balance on the account, you'll be paid by the cashier.

REMEMBER...

Hang on to your receipt!

You will need the issued account number printed on it to cash out any remaining credits.
